www.brother.com.sg

Brother strongly recommends the use of genuine Brother consumable products only. Benefits include better quality print, greater yields per consumable, protection of your machine from damages and achievement of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine consumables.

STUNNING PRINTS, IMPRESSIVE PERFORMANCE

Enjoy effortless productivity with professional colour for all your business needs. The latest Brother colour LED machines combine outstanding productivity, seamless connectivity, and cost-saving technology in a compact and user-friendly package.

Enhanced Connectivity, Greater Convenience

Wireless and Wired Sharing

Effortlessly share your Brother machine with multiple users on your network via its built-in Wi-Fi* and Ethernet. With the integrated NFC reader*, users can gain wireless access to the machine with a simple tap of their NFC-enabled mobile device.

Fuss-free Connectivity

Connect directly from your mobile devices for fuss-free printing or scanning of documents, presentations or emails. In addition, accomplish print and scan jobs seamlessly with innovative features such as Brother Cloud Apps*, WebConnect* and Cloud capabilities*.

USB Direct Print

Insert your USB flash drive into the integrated USB reader for fast prints and scans*.

Optimise Cost-Savings

Cut Your Paper Waste by 50%

Reduce your paper wastage and expenses with automatic 2-sided printing.

Lower Your Cost of Ownership

With affordable standard yield and high-yield toner cartridges, you can enjoy more printed pages at a lower cost-per-page.

Save on Your Toner Costs

Maximise your toner life with Toner Save Mode, which uses less toner while producing crisp text and vibrant colour printouts.

Remarkable Productivity

Fast Print and Scan Speeds*

Boost your productivity with fast print speeds of up to 24ppm* and scan speeds of up to 27ipm*.

Seamless Multi-page Scanning

The Dual CIS Auto Document Feeder* scans 2-sided documents in a single pass, cutting your scan times by half.

Shortcut Your Everyday Tasks

Streamline your work process with easy-to-program shortcuts for your most common tasks on the user-friendly LCD touchscreen*.

Comprehensive Paper Handling

With the 250 sheets default paper tray, Brother machines reduce the need for frequent paper reloads. In addition, the manual feed slot can handle a greater variety of papers up to 163gsm for your printing convenience.

Built for Multi-Tasking

Brother machines are equipped with multi-tasking capabilities so you can skip ahead to the next task even before your current print job is complete.

A Proud Legacy of Uncompromising Reliability

Over A Hundred Years of Customer Satisfaction

Even with over a century of customer satisfaction under our belt, we aren't taking anything for granted. All Brother machines have undergone rigorous tests and trials to ensure that they will last for years to come. By bringing together traditional Japanese values of quality, service, and integrity with the latest in technological innovation, you can always count on Brother to take your office productivity further.

An Award-Winning Track Record

For 5 years in a row, Brother has won PCmag's prestigious Business Choice Award. We have also won PCmag's Readers' Choice Award for an unprecedented 9 years in a row, scoring the highest in overall satisfaction and reliability.

We've Got Your Back

At Brother, our commitment is to put our customers first, which is why we remain dedicated to you far beyond the purchase dates of our products. This is reflected in the outstanding service and warranty that you will enjoy with every Brother product.

*For selected models only.
